Longview MPO Policy Board Meeting

(Longview, TX) The Longview Metropolitan Planning Organization (MPO) has scheduled a Policy Board meeting on Wednesday, April 24th at 2:00 p.m. in the Longview City Council Chambers located in the Jo Ann Metcalf Municipal Building, 300 W. Cotton St., to consider approval of revisions to the FY 18 & 19 Unified Planning Work Program (UPWP) and revisions to the 2019 – 2022 Transportation Improvement Program (TIP). Policy Board members will also receive an update on Mobility 2045, the Longview Area’s defining vision for addressing the multi-modal transportation needs of the community over the next 25+ years.

The UPWP outlines transportation planning activities that will be accomplished by the MPO for the upcoming two years. The TIP is a plan, which identifies federally funded highways, bridges, bicycle & pedestrian projects, and Longview Transit public transportation projects to be constructed or implemented in the next four years. The public is invited to attend the meeting and will be given an opportunity to provide comments. The meeting will be live streamed on CityView Municipal TV LongviewTexas.gov/CityView and Longview Cable TV, Channel 5. After the meeting, citizens may view the recorded meeting online in the CityView Video Library.

Copies of the UPWP and TIP can be reviewed online at LongviewTexas.gov/MPO and at the Longview Public Library, 300 W. Cotton St. in Longview. Comments and questions may be sent to the Longview MPO, P.O. Box 1952, Longview, TX 75606 or emailed to MPO@LongviewTexas.gov.
