

INVITATION TO BID

NAME OF COMPANY SUBMITTING BID _____

SECTION I - GENERAL INFORMATION AND OFFER/ACCEPTANCE

The enclosed **INVITATION TO BID** (ITB) and accompanying specifications and bid forms are for your convenience in bidding the enclosed referenced products and/or services. Bidders are cautioned that the Longview Purchasing Division *is the sole point of contact* for the City of Longview (the City) during this process. Any oral statement by any representative of the City, modifying or changing any conditions of this ITB, is an expression of opinion only and confers no right upon the bidder. If additional information is needed to interpret the specifications, **written** questions will be accepted by:

City of Longview - Purchasing Division
PO Box 1952 – 300 W. Cotton (zip 75601)
Longview, TX 75606

PHONE (903) 237-1324
FAX (903) 291-5323

jlatch@longviewtexas.gov or aphillips@longviewtexas.gov

Sealed bids will be received no later than: 2:00 P.M., March 29, 2017

MARK ENVELOPE: **BID NO. 1617-11, VEGETATION CONTROL**
RETURN BID TO: **CITY OF LONGVIEW PURCHASING OFFICE**
 PO BOX 1952 – 300 W. COTTON (ZIP 75601)
 LONGVIEW, TEXAS 75606

A Mandatory Pre-Bid meeting will be held on: March 23, 2017 @ 3:00 P.M. at 933 Mobile Dr. Longview, Texas.

This meeting is to answer questions regarding the bid requirements. Due to the importance of all bidders having a clear understanding of the specifications and scope of work requirements in this solicitation, attendance at the mandatory pre-bid meeting is a prerequisite for submitting a bid. Bids will only be accepted from those who are represented at the pre-bid meeting. Attendance at the pre-bid meeting will be evidenced by the representative's signature on the attendance roster.

THE CITY OF LONGVIEW appreciates your time and effort in preparing a bid. Please note that all bids must be received at the designated location by the deadline shown. Bids received after the deadline will not be considered for award, and shall be considered void. Opening is scheduled in Purchasing Offices at 300 W. Cotton, Longview, and Texas. You are invited to attend.

Award will be made approximately two weeks after the bid opening date. The City reserves the right to award contracts on an individual item or lump sum basis, whichever is the best interest of the City. To obtain results please contact the Purchasing Manager at the address above or phone (903) 237-1324.

Return all pages of your bid. Bidders shall sign and date pages with signature lines. Incomplete bids or bids which are not signed and dated as stated may be rejected.

INVITATION TO BID

Cut along the outer border and affix this label to your sealed bid envelope to identify it as a "Sealed Bid". Be sure to include the name of the company submitting the bid.

SECTION II - INSTRUCTIONS AND GENERAL TERMS

By order of the City Manager of LONGVIEW, TEXAS, sealed bids will be received for:

Vegetation Control

2.00 THE PURPOSE OF THIS DOCUMENT IS TO PROVIDE for a contract for the services specified. The term of this contract will be one (1) year or until satisfactory completion of all of the services specified. City of Longview reserves the right to extend this contract for four (4) additional one-year periods as it deems to be in the best interest of the City. City reserves the right to purchase additional units of the types of services specified, provided pricing, terms and conditions remain the same.

2.01 IT IS UNDERSTOOD that the City of Longview, Texas (City) reserves the right to reject any or all bids for any or all services covered in this bid request and to waive informalities or defects in bids or to accept such bids as it deems in the best interests of the City of Longview.

2.02 BIDS MUST BE submitted on the pricing forms included for that purpose in this packet. Bids shall be placed in a sealed envelope and appropriately signed by a person having the authority to bind the firm in a contract. The bid number and title shall be marked clearly on the outside as shown below. Elaborate binding or binders are discouraged. ***FACSIMILE TRANSMITTALS WILL NOT BE ACCEPTED.***

2.03 SUBMISSION OF BIDS: The City of Longview requests one original and one copy of your bid. Include all pages of this document in submitting your bid. Sealed bids shall be submitted to:

CITY OF LONGVIEW PURCHASING OFFICE
PO BOX 1952 – 300 W. COTTON (ZIP 75601)
LONGVIEW, TX 75606

2.04 LATE BIDS: ALL BIDS MUST BE RECEIVED IN THE CITY OF LONGVIEW PURCHASING OFFICES BEFORE BID OPENING DATE AND TIME. Bids received in the City Purchasing Office after the submission deadline will be considered void and unacceptable. The City of Longview is not responsible for lateness or non-delivery of mail, carrier, etc., and the date/time stamp in the Purchasing Office will be the official time of receipt.

2.05 FUNDING: Funds for payment have been provided through the City of Longview budget approved by the Longview City - Council for this each year only. Texas statutes prohibit the obligation and expenditure of public funds beyond the fiscal year for which a budget has been approved. Any anticipated orders or other obligations that may arise past the end of the current City of Longview fiscal year will be subject to budget approval.

2.06 ALTERING BIDS: Bids cannot be altered or amended after the submission deadline. Any interlineation, alteration, or erasure made before opening must be initialed by the signer of the bid.

2.07 WITHDRAWAL OF BID: A bid may not be withdrawn or canceled by the bidder without the permission of the city for a period of ninety (90) days following the date designated for the receipt of bids, and bidder so agrees upon submittal of a bid. For the purpose of proper bid evaluation and approval, all prices, costs and conditions shall remain firm and valid for a ninety (90) day period, commencing on the day of the bid opening. Upon award of contract all prices shall be firm and valid for the duration of the contract.

2.08 SALES TAX: The City of Longview is exempt by law from payment of Texas Sales Tax and Federal Excise Tax. Bidders shall be responsible to report and pay all applicable taxes, if any, promptly.

2.09 BID AWARD: The City of Longview will review all bids for responsiveness and compliance with these specifications. Bids are awarded either to the responsive, responsible bidder who submits the lowest and best bid based on the specifications published herein or to the responsive bidder who provides goods or services at the best value for the municipality. In selecting the bidder to whom the contract will be awarded, the City also reserves the right to consider the location of the bidder's principal place of business as provided by section 271.905 or section 271.9051 (as applicable) of the Texas Local Government Code. City of Longview may negotiate additional work as deemed appropriate and consistent with state law and with the intent and terms of the resulting contract.

2.10 CONTRACT: This bid, when properly accepted the City of Longview, shall become a contract equally binding between the successful bidder and City of Longview. No different or additional terms will become a part of this contract with the exception of Change Orders.

2.11 CHANGE ORDERS: No oral statement of any person shall modify or otherwise change, or affect the terms, conditions or specifications stated in the resulting contract. All change orders to the contract will be made in writing by the City of Longview Purchasing Agent.

2.12 IF DURING THE life of the contract, the successful bidder's net prices to other customers for services provided hereunder are reduced below the contracted price, it is understood and agreed that the benefits of price reduction shall be extended to the City of Longview.

2.13 A PRICE adjustment may be considered by the City of Longview only at the anniversary date of the contract and shall be substantiated in writing (e.g., Wage/Labor rates, Consumer Price Index, etc.). The City of Longview reserves the right to accept or reject any/all of the price redetermination as it deems to be in the best interest of the city.

2.14 DELIVERY: All delivery and freight charges (FOB City of Longview) are to be included in the bid price.

2.15 CONFLICT OF INTEREST: No public official shall have interest in this contract, in accordance with Vernon's Texas Codes Annotated, Local Government Code Title 5, Subtitle C, Chapter 171. City of Longview Charter prohibits Council members and other officers and employees of the City of Longview from taking any direct or indirect interest in the profits or emoluments of any contract, job, work, or service for the City of Longview.

2.16 ETHICS: The bidder shall not offer or accept gifts or anything of value nor enter into any business arrangement with any employee, official or agent of the City of Longview.

2.17 EXCEPTIONS/SUBSTITUTIONS: Bidders taking exception to the specifications, or offering substitutions, shall state these exceptions in the section provided or by attachment as part of the bid. The absence of such a list shall indicate that the bidder has not taken exceptions and shall hold the bidder responsible to perform in strict accordance with the specifications of the invitation. The City of Longview reserves the right to accept any and all or none of the exception(s)/ substitution(s) deemed to be in the best interest of the city.

2.18 DESCRIPTIONS: Any reference to model and/or make/manufacturer used in bid specifications is descriptive, not restrictive. It is used to indicate the type and quality desired. Bids on items of like quality will be considered.

2.19 ADDENDA: Any interpretations, corrections or changes to this specification will be made by addenda. Sole issuing authority of addenda shall be vested in City of Longview Purchasing Agent. Addenda can be found on the City of Longview website www.LongviewTexas.gov/Bids. Addenda can also be obtained by calling City of Longview Purchasing office at 903-237-1324. It is the responsibility of the bidder to obtain a copy of all addenda pertaining to this ITB.

2.20 BID MUST COMPLY with all federal, state, city and local laws concerning types of products specified.

2.21 DESIGN, STRENGTH, QUALITY of materials must conform to the highest standards of manufacturing practice.

2.22 MINIMUM STANDARDS FOR RESPONSIBLE BIDDERS: A prospective bidder must affirmatively demonstrate responsibility and must meet the following requirements:

1. Have adequate financial resources, or the ability to obtain resources required;
2. be able to comply with the required or proposed delivery schedule;
3. have a satisfactory record of performance;
4. have a satisfactory record of integrity and ethics;
5. be otherwise qualified and eligible to receive an award.

City of Longview may request clarification or other information sufficient to determine bidder's ability to meet these minimum standards listed above. Failure to respond to such requests shall be cause for removal from consideration.

2.23 REFERENCES: The City of Longview requests bidders to supply a list of three (3) references where like services or products have been supplied by their firm. Include names of firms, addresses, telephone numbers and names.

2.24 BIDDER SHALL PROVIDE with this bid response, all documentation required by this ITB. Failure to provide information specifically requested may result in rejection of your bid.

2.25 INDEMNIFICATION: The contractor agrees and shall indemnify and hold harmless City, its officers, agents, employees, and elected officials from and against any and all claims, losses, damages, causes of action, suits, and liability of every kind, including all, but not limited to, expenses of litigation, court costs, and attorney's fees, for injury to or death of any person, or damage to any property, arising out of or in connection with the acts and/or omissions of contractor under this contract.

2.26 WAGES: Successful bidder shall pay or cause to be paid, without cost or expense to City of Longview, all Social Security, Unemployment and Federal Income Withholding Taxes of all employees and all such employees shall be paid wages and benefits required by Federal and/or State Law.

2.27 TERMINATION OF CONTRACT: This contract shall remain in effect until the contract expires, until acceptance of performance of services ordered or until terminated by either party with a thirty (30) days written notice prior to any cancellation. The successful bidder must state therein the reasons for such cancellation. The City of Longview reserves the right to award canceled contracts to the next lowest and best bidder or to the remaining responsive bidder who provides the services at the best value for the municipality, as the City deems to be in the best interest of the City. City reserves the right to hold original contractor responsible for any resultant increase in cost.

2.28 TERMINATION FOR DEFAULT: The City of Longview reserves the right to enforce the performance of this contract in any manner prescribed by law or deemed to be in the best interest of the City in the event of breach or default of this contract. The City of Longview reserves the right to terminate the contract immediately in the event successful bidder fails to:

1. meet schedules;
2. defaults in the payment of any fees; or
3. otherwise perform in accordance with these specifications.

Breach of contract or default authorizes the city to exercise any or all rights. The city of Longview may exercise any right or pursue any remedy available at law or in equity for breach of this contract. The exercise of any right or pursuit of any remedy by the City for breach of this contract shall no prevent the City from exercising any other right or pursuing any other remedy available under this contract, under law, or in equity.

In the event the successful bidder shall fail to perform, keep or observe any of the terms and conditions to be performed, kept or

observed, City of Longview shall give the successful bidder written notice of such default; and in the event said default is not remedied to the satisfaction and approval of the city within two (2) working days of receipt of such notice by the successful bidder, default will be declared and all the successful bidder's rights shall terminate. Bidder, in submitting this bid, agrees that City of Longview shall not be liable to prosecution for damages in the event that the City of Longview declares the bidder in default.

2.29 NOTICE: Any notice provided by this bid (or required by Law at the address so provided) to be given to the successful bidder by the City of Longview shall be conclusively deemed to have been given and received on the next day after such written notice has been deposited in the mail in Longview, Texas, by Registered or Certified Mail with sufficient postage affixed thereto, addressed to the successful bidder at the address so provided; provided this, shall not prevent the giving of actual notice in any other manner.

2.30 CONTRACT ADMINISTRATOR: Under this contract, the City of Longview may appoint a contract administrator with designated responsibility to ensure compliance with contract requirements, such as but not limited to, acceptance, inspection and service performance. The contract administrator will serve as liaison between the City of Longview Purchasing Department and the successful bidder.

2.31 PURCHASE ORDER: A purchase order(s) shall be generated by the City of Longview to the successful bidder. The purchase order number must appear on all itemized invoices. The City of Longview will not be held responsible for any orders placed/delivered without a valid current purchase order number.

2.32 EACH INVOICE shall be number and show (1) name and address of the successful bidder, (2) name and address of receiving department and/or delivery location, (3) City of Longview Purchase Order number, and (4) descriptive information as to the services delivered.

2.33 PAYMENT will be made upon receipt and acceptance by the city of the item(s) ordered and receipt of a valid invoice, in accordance with the State of Texas Prompt Payment Act, Texas Government Code Chapter 2251. The City's standard payment terms are net 30, i.e. payment is due in 30 days.

2.34 ITEMS, if any, supplied under this contract shall be subject to the City of Longview's approval. Items found defective or not meeting specifications shall be picked up and replaced by the successful bidder at the next service date, at no expense to the city. If the item(s) is not picked up within one (1) week after notification, the item(s) may be removed at the owner's expense at the discretion of the City.

2.35. SERVICES: Supplied under this contract shall be subject to the City of Longview's approval. Services found defective or not meeting specifications shall be corrected at no expense to the City.

2.36 WARRANTY: The successful bidder shall warrant that all items/services shall conform to the proposed specifications.

2.37 REMEDIES: The successful bidder and the City of Longview agree that both parties have all rights, duties and remedies available as stated in the Uniform Commercial Code.

2.38 APPLICABLE LAW AND VENUE: This agreement will be governed and construed according to the laws of the State of Texas. This agreement is performable in Longview, Texas. Venue for actions arising under this agreement in federal courts shall lie exclusively in the Eastern District of Texas, Tyler Division, and for state courts shall lie exclusively in Gregg, County, Texas.

2.39 EQUAL EMPLOYMENT OPPORTUNITY: The successful bidder shall comply with all applicable provisions of regulations of the U.S. Department of Commerce (Part A of Sub-title 15 of the code of Federal regulations) issued pursuant to the Civil Rights act of 1964, in regard to nondiscrimination in employment because of race, religion, color, sex, handicap, or national origin. The bidder shall comply with all applicable Federal, State, and local laws, rules and regulations concerning equal employment opportunity.

2.40 ASSIGNMENT: The successful bidder shall not sell, assign, transfer or convey this contract, in whole or in part, without the prior written consent of the City of Longview.

2.41 SILENCE OF SPECIFICATION: The apparent silence of these specifications as to any detail or to the apparent omission of a detailed description concerning any point, shall be regarded as meaning that only the best commercial practices are to prevail. Interpretations of these specifications shall be made on the basis of this statement.

2.42 PROPRIETARY INFORMATION: The responders to any inquiry or bid request shall state any restrictions on the use of data contained in their responses. Proprietary information will be handled in accordance with applicable law, regulations and policy of this jurisdiction.

2.43 This section not used.

2.44 BEST VALUE: THE CITY WILL AWARD THE CONTRACT SOUGHT BY THIS ITB EITHER TO THE LOWEST RESPONSIBLE BIDDER OR TO THE BIDDER WHO PROVIDES GOODS OR SERVICES AT THE BEST VALUE FOR THE CITY. IN SELECTING THE BIDDER TO WHOM THE CONTRACT WILL BE AWARDED, THE CITY ALSO RESERVES THE RIGHT TO CONSIDER THE LOCATION OF THE BIDDER'S PRINCIPAL PLACE OF BUSINESS AS PROVIDED BY SECTION 271.905 AND/OR SECTION 271.9051 OF THE TEXAS LOCAL GOVERNMENT CODE.

In determining the best value for the municipality, the City of Longview may consider:

1. the purchase price;
2. the reputation of the bidder and of the bidder's goods or services;
3. the quality of the bidder's goods or services;
4. the extent to which the goods or services meet the city's needs;
5. the bidder's past relationship with the City of Longview;
6. the impact on the ability of the City of Longview to comply with laws and rules relating to contracting with historically underutilized businesses and nonprofit organizations employing persons with disabilities;

7. the total long-term cost to the City of Longview to acquire goods or services; and
8. any relevant criteria specifically listed in the request for bids or proposals.

2.45 NONRESIDENT BIDDERS: Texas state law requires that the City give preference to Texas resident bidders at an amount that a Texas resident bidder would be required to underbid a nonresident bidder in order to obtain a comparable contract in the state in which the nonresident's principal place of business is located. Preferences may or may not apply but will be enforced as prescribed in Texas Government Code Chapter 2252, subchapter A. Bidders must certify that they are resident or nonresident in order to meet specifications. Failure to do so on the provided response forms may disqualify that bidder. Certification is included in the Bid Affidavit to follow."

2.46 OZONE ACTION DAYS – The successful bidder shall observe and follow City Policy in regard to operating equipment and providing services on Ozone Action Days.

2.47 ANY QUESTIONS concerning the ITB shall be directed to the Purchasing Department in writing. The FAX number for written inquiry is 903 291-5323 or you may e-mail to jlatch@longviewtexas.gov or krodgers@longviewtexas.gov. Reference the section and page in question.

2.48 SUBCONTRACTING: No subcontracting is allowed with this contract.

2.49 INCLEMENT WEATHER: In case of inclement weather or any other unforeseen event causing the City to close for business on the date a bid/proposal submission deadline, the bid closing will automatically be postponed until the next business day the City is open. If inclement weather conditions or any other unforeseen event causes delays in carrier service operations, the City may issue an addendum to all known vendors interested in the project to extend the deadline. It will be the responsibility of the vendor to notify the City of their interest in the project if these conditions are impacting their ability to turn in a submission within the stated deadline. The City reserves the right to make the final judgment call to extend any deadline.

2.50 STORM WATER MANAGEMENT: Contractor shall implement best management practices (BMPs) to prevent stormwater pollution to the maximum extent practicable in accordance with the City of Longview's Stormwater Management Program. These BMP's include at a minimum:

- Performing regular inspections and maintenance on vehicles and equipment to prevent fluid leaks.
- Implement standard operating procedures (SOPs) for spill prevention and cleanup that include at a minimum the following:
 - (1) arrival of the responsible person or response personnel hired by the responsible person at the site of the discharge or spill;
 - (2) initiating efforts to stop the discharge or spill; including maintaining onsite spill kits
 - (3) minimizing the impact to the public health and the environment;
 - (4) neutralizing the effects of the incident;
 - (5) removing the discharged or spilled substances; and
 - (6) managing the wastes.
- Training and equipping all employees who are present on City property in appropriate actions in accordance with the SOP.
- Provide upon request records of onsite inspections and BMP's.

2.51 Certificate of Interested Parties (Form 1295)

In 2015, the Texas Legislature adopted House Bill 1295, which added Section 2252.908 of the Government Code. The law states that a governmental entity may not enter into certain contracts with a business entity unless the business entity submits a disclosure of interested parties to the governmental entity. The disclosure of interested parties will be submitted online via Form 1295 and must be submitted to the governmental entity prior to any signed contract and/or vote by the governing authority.

The Filing Process:

1. Prior to award by City Council, your firm will be required to log in to the Texas Ethics Commission, https://www.ethics.state.tx.us/whatsnew/elf_info_form1295.htm and fill out the Electronic Filing Application.
2. Once submitted, the system will generate an electronic Form 1295 displaying a "Certificate Number." Your firm must print, sign and notarize Form 1295.
3. **Within seven (7) business days** from notification of pending award by the City of Longview Purchasing Department, the completed Form 1295 **must** be submitted to City of Longview.
4. Your firm will need to repeat this process and obtain a separate Form 1295 each time you enter into a new contract, renew a contract or make modification and/or amendments to a City of Longview contract.

Instructions and information are available at <https://www.ethics.state.tx.us/tec/1295-Info.htm> or you may call the Texas Ethics Commission at (512) 463-5800.

BY SUBMITTING A BID YOUR FIRM AGREES TO ADHERE TO HB 1295 REFERENCED ABOVE

Please Note: No action required until notification of potential award by the City of Longview Purchasing Department.

SECTION III - SPECIAL PROVISIONS

3.00 BID SECURITY: A bid security is not required.

3.01 SUPPORTING INFORMATION: When requested bidders are required to provide technical brochures or pre-published literature sufficient to verify that your products and/or services meet or exceed these specifications. Failure to include supporting data specifically requested may be cause for rejection of your bid.

a) Warranty - Include warranty information with your bid. Warranties may be a consideration of bid award. Only standard pre-published warranties will be considered.

b) Technical Literature - Include pre-published drawing, brochures, or engineering data sufficient to insure that your product meets or exceeds minimums specified.

3.02 INSURANCE: All bidders proposing to provide services to the City of Longview are required to have and maintain Workman's Compensation Insurance. The successful bidder shall provide coverage, based on proper reporting of classification codes and payroll amounts and filing of any coverage agreements, which meets the statutory requirements of Texas Labor Code, including without limitation the definition of "Workers' compensation insurance coverage" set forth in Section 401.011(44) for all employees of the successful bidder providing services to the city for the duration of the contract. A certificate of coverage must be provided prior to the awarding of the contract. If the certificate of coverage expires during the contract duration, the successful bidder must file a new certificate of coverage with the City of Longview showing coverage has been extended. Subcontractors, if used, must also provide proof of coverage to the City of Longview listing all persons providing services under this contract. The successful bidder shall retain all required certificates of coverage for the duration of the contract and for one year thereafter. The successful bidder shall notify the city in writing within ten (10) days of any change that materially affects the provision of coverage of any person providing services under the contract and required to be covered. The successful bidder shall post on each site notice, in the text, form and manner prescribed by the Texas Workman's Compensation Commission. The successful bidder shall contractually require each person with whom it contracts to provide service under the contract to:

1. Provide coverage for the duration of the contract term, based on proper reporting of classification codes and payroll which meets the statutory requirement of the Texas Labor Code, including and without limitation the definition of "Workers' compensation insurance coverage" set forth in Section 401.011(44) for all employees providing services under the contract.
2. Provide to the City of Longview prior to that person beginning work under the contract, a certificate of coverage showing that coverage is being provided for the duration of the contract for all employees of the person providing services under the contract.
3. Provide prior to the end of the coverage period, a new certificate of coverage showing extension of coverage, if the coverage period ends during the duration of the contract.
4. Obtain from each other person with whom it contracts, certificate and extensions necessary to provide for coverage to all persons providing services under the contract.
5. Retain all certificates on file for the duration of the contract and for one year thereafter.
6. Notify the City in writing by certified mail of any changes affecting provisions for coverage of any person providing services under the contract.
7. Contractually require each person with whom it contracts to perform as required in subparagraphs 1 - 7, with the certificates of coverage to be provided to the person for whom they are providing services.

By signing this contract and providing a certificate of coverage, the successful bidder is representing to the City that all employees of the successful bidder who will provide services will be covered by workman's compensation for the duration of the contract. Failure to comply with any of these provisions is breach of contract by the successful bidder which entitles the governmental entity to declare the contract void if the successful bidder does not remedy breach within ten (10) days after receipt of notice of breach from the City.

Additional insurance is required. The successful bidder shall obtain and maintain for the full term of the contract the following insurance minimums written by a company licensed to conduct business in the state of Texas.

Employer's Liability -	Bodily Injury by Accident - \$250,000 each accident
	Bodily Injury by Disease - \$500,000 policy limit
	Bodily Injury by Disease - \$250,000 each employee

Comprehensive General Liability (including Premises-Operations; Independent Contractor's Protective; Broad 'Form Property Damage, Contractual Liability and Personal Injury.)

\$500,000 each occurrence
\$1,000,000 annual aggregate

Products and Completed Operations

\$500,000 each occurrence
\$1,000,000 annual aggregate

Comprehensive Automobile Liability:

Bodily Injury and Property Damage
Combined Single Limit: \$1,000,000 "CSL" each occurrence

The successful bidder shall include the City of Longview and its officers, agents, employees and elected officers as additional insured on all required Comprehensive General Liability and Comprehensive Automobile liability Insurance policies. Each insurance policy to be furnished by successful bidder shall include, by endorsement to the policy, a statement that a notice shall be given to the City of Longview by certified mail thirty (30) days prior to cancellation or upon any material change in coverage.

Note: The State of Texas has a "Financial Responsibility Law". The Contractor shall be certain that coverage is provided which conforms to any specific stipulation in the law.

Awarded vendor must provide to the City of Longview a certificate of insurance meeting all insurance coverage requirements published in the bid document.

COPIES OF INSURANCE CERTIFICATES ARE REQUIRED WITH THE BID

SECTION IV - BID RESPONSE

I agree to meet the minimum requirements as set forth in these specifications and any documents attached for the total prices listed on the document below. I agree to perform these services as directed for the units and/or lump sum prices stated below. At any time during the term of the City's contract with the bidder, and subject to the applicable provisions of state law (including without limitation Section 252.048 of the Texas Local Government Code), the City may, in its discretion, increase or decrease the quantity of work to be performed under the contract (including without limitation by adding to or reducing the number of locations to be sprayed). Each bidder must inform himself of the conditions relating to the mowing of each location as well as the equipment and labor needed. Failure to do so will not relieve a successful Bidder of his obligation to furnish all material and labor necessary to carry out the provisions of this contract.

SUBMITTALS: To be declared responsive and receive consideration for award the following items must be submitted with the bid:

- ___ Copies of all Certificates and Licenses. (Section 5.02)
- ___ References; List of Chemical Vegetation Projects similar in scope & scale completed; must show five (5) years experience (Section 5.00) (Attachment I)
- ___ List of Equipment to be used. (Section 5.04)
- ___ Photos of equipment to be used. Section 5.04)
- ___ List of Supervisors and Licensed Applicators Section (5.05)
- ___ List of Herbicides and Rates (proposed number of ounce per acre) (Section 5.14)
- ___ All pages of this document with appropriate signatures
- ___ Requested one original and one copy of your Bid. (Section 2.03)

SECTION V - SCOPE OF WORK

5.00 General Information: The purpose of this invitation to bid is to provide for the control of weeds and grasses on City of Longview streets, creeks, ditches, and right of ways by means of application of approved chemicals. The City of Longview wishes to contract with an experienced and qualified herbicide application contractor with a minimum of (5) years of experience in vegetation control of waterways. Bidders shall provide with bid response a list of at least three (3) references for which herbicide application of the same type and to the same degree as required in this bid document were provided throughout the last five years. References must reflect 5 years of experience. Submit this list with the bid. Failure to submit a list of references may cause the bid to be disqualified. The City reserves the right to contact any or all references prior to an award. The responses of references may be considered in assessing the reputation of the bidder, the bidder's goods and services, and the quality of the bidder's goods and services. Previous successful chemical vegetation management will be a consideration to determine the Contractor's ability to perform work. In turn, these factors, in conjunction with the other factors listed in Section 2.44 of this ITB, may be considered by the City in determining whether the bidder provides goods or services at the best value for the City. Bidders are advised that they are required to inspect the sites listed for work and provide for any and all equipment, supplies, and accesses necessary for the effective treatment of vegetation in the areas listed. Maps showing spray area boundaries can be found online at <https://cloud.longviewtexas.gov/maps/vegetation>.

It is the intent of City of Longview to award by Contract. The City wishes to contract with one contractor for all groups. The cycles listed are for the purpose of estimating work and evaluation of bids. The City does not warrant any or all cycles will be required to maintain the properties and reserves the right to add (or delete) additional cycles or work as conditions or circumstances dictate. The City of Longview does not guarantee the number of cycles needed; cycles are dependent on growing season, weather and funding. Each bidder must inform himself of the conditions relating to each location as well as the equipment and labor needed. Failure to do so will not relieve a successful Bidder of his obligation to furnish all material and labor necessary to carry out the provisions of this contract.

A spray area Index is included with this document showing all locations included in this contract. Spray area maps can be viewed at <https://cloud.longviewtexas.gov/maps/vegetation>

PREBID MEETING: The City will conduct a pre-bid meeting. Attendance is mandatory. Bidders are asked to review the sites on their own prior to the meeting and come prepared to ask questions. Access to Maps is available at above referenced website.

ACREAGE/MILEAGE/FOOTAGE LISTED IN THIS BID PACKAGE IS AN ESTIMATE ONLY.

5.01 DEFINITIONS:

Contractor – The person or firm selected for this contract.

Owner – The City of Longview.

City – The City of Longview or its authorized representatives.

Right-of-Way – Maintained property behind the curb line on dedicated streets. The width of the right-of-way varies at each location, but the width is estimated on accompanying Exhibit "A" to assist in costing. The estimated width should be used as a guideline for the actual spray width.

Contract Administrator – The City of Longview representative selected to manage this contract.

Supervisor – The Contractor representative with powers to direct the work, exercise precautions, and receive field directions from the Contract Administrator.

Curb & Gutter– Portion of dedicated streets between pavement and the back of curb and the street itself where unwanted vegetation grows.

Guardrail – Portion of dedicated right of way in proximity of specified guardrail sites, 12" in front and 12" behind said guardrail. Must be hand sprayed to assure proper placement of application.

Cycle – Consists of one complete herbicide application for each group listed on the spray area index. The City of Longview reserves the right to increase or decrease the number of cycles performed as growing conditions may dictate.

Control – Describes the desired level of vegetation kill or growth inhibition.

Herbicide Treatment –The application/treatment of approved herbicide to vegetation growing in the areas listed inside the City limits of Longview.

Vegetation – Weeds, grass (excepting Bermuda) vines, brush and trees.

5.02 GENERAL REQUIREMENTS: License required-Bidder must be licensed by the Texas Structural Pest Control Board or the Texas Department of Agriculture. **Copies of the certificates and license number must be submitted with bid proposal. Failure to provide copy of license list and information sufficient to determine contractor's eligibility to perform this work will be cause for declaration of bid as non-responsive.**

The Contractor shall provide a minimum of two (2) operators to ensure accuracy of work and the timely completion of each cycle. Previous successful chemical vegetation management will be a consideration to determine the Contractor's ability to perform the work. Bidders are asked to submit a list of successful chemical vegetation projects similar in scope and scale to this project, completed within the previous five (5) years. **Submit this list with the bid.**

The Contractor must maintain an office so as to provide for storage of materials and so as to respond to service and inspection requirements on request from the City of Longview within four (4) hours. A permanent office shall be staffed and operational during City of Longview business hours. Bidder must have at least one responsible member of the company on call twenty-four (24) hours per day to answer questions and take possible complaints of citizens. A list of names, titles, addresses and telephone numbers of these responsible individuals must be furnished to the City of Longview.

5.03 SDS - SAFETY DATA SHEETS: The Contractor shall comply with all pesticide/herbicide application requirements as set forth by the Texas Structural Pest Controls Board or the Texas Department of Agriculture, Federal Environmental Protective Agency, and manufacturer's instructions provided on the chemical label or accompanying brochure. Contractor shall provide City of Longview with Safety Data Sheets for all chemicals upon request.

5.04 EQUIPMENT: All equipment used by the contractor for herbicide application must be licensed by the Texas Department of Agriculture and must comply with all applicable State, Federal, and OSHA regulations. The herbicide equipment shall be equipped to adjust the rate of application based on speed and width of application. The Contractor shall submit with the bid proposal a listing of equipment (and photos) to be used. Equipment used must provide the operator the capability of applying herbicide by calibration. The equipment list will be a consideration to determine the Contractor's ability to perform the work. **Submit photos and list of equipment to be used with the bid.**

The Contractor shall submit an itemized list of bidder owned equipment, with photos, that is available for the use in performance of the contract. This list will be used with the bid proposal as a basis for the City to determine the Contractor's ability to perform the work within the time frame. A permanent rotating amber caution light will be mounted on top of each piece of equipment that operates from public roads. Right-of-Way spray equipment shall consist of 1,500 US gallon tanks minimum, with computer rate controlled injection capabilities.

5.05 CONTRACT SUPERVISOR: The Contractor shall furnish with the bid proposal a list of two (2) supervisors with a minimum of five (5) years experience licensed in the Right-of-Way, and Aquatic categories and five (5) licensed applicators with a minimum of two (2) years experience. One Texas licensed Supervisor and one Texas licensed Applicator shall be on project during any spray applications. Contractor must furnish a listing with names, addresses and telephone numbers along with copies of each person's Certified Commercial Pesticide Applicator License. **Submit list with bid.**

5.06 ADDITIONS AND DELETIONS: All work added or deleted will be specified by location and approximate acreage, feet or miles. By mutual agreement the Contractor and the Division Manager may make changes by adding or deleting portions to be treated. All changes will be verified in writing with signatures of both the Department Manager and the Contractor.

5.07 GUARDRAILS WORK SCHEDULE: All areas defined in “Scope of Work” shall receive two (2) herbicide spray treatments during each growing season as follows:

- a) The first cycle will begin in early Spring, but is dependent upon growing season and weather conditions. Application of the first cycle under this contract shall commence within ten (10) calendar days of Notice to Proceed. The first treatment should be completed within 21 calendar days. The Contractor will be required to (and agrees) to notify the City of Longview Contract Manger of start and completion of work. Guardrail sites shall be sprayed 12” in front and 12” behind each guardrail. Guardrail must be hand sprayed to assure proper placement of application. The City of Longview does not guarantee the number of cycles. Cycles are dependent on growing season, weather, and funding.
- b) The second cycle will be conducted in approximately late August or September as determined and ordered by the City of Longview Contract Manager. Application of the second cycle under this contract shall commence within ten (10) calendar days of Notice to Proceed. The second treatment should be completed within 21 calendar days. The Contractor will be required to (and agrees) to notify the City of Longview Contract Manager of start and completion of work.
- c) Spot treatments will be required to ensure an effective kill. Contractor shall inspect treated areas and initiate treatments necessary to ensure satisfactory vegetation control within thirty (30) calendar days following completion of the first treatment and thirty (30) calendar days following the second treatment. The City will inspect after each application.

5.08 LAKE O’ THE PINES ROW SCHEDULE: All areas defined in “Scope of Work” shall receive two (2) herbicide spray treatments during each growing season as follows:

- a) The first cycle will begin in early Spring, but is dependent upon growing season and weather conditions. Application of the first cycle under this contract shall commence within ten (10) calendar days of Notice to Proceed. The first treatment should be completed within 21 calendar days. The Contractor will be required to (and agrees) to notify the City of Longview Contract Manager of start and completion of work. The City of Longview does not guarantee the number of cycles. Cycles are dependent on growing season, weather, and funding.
- b) The second cycle will be conducted in approximately late August or September as determined and ordered by the City of Longview Contract Manager. Application of the second cycle under this contract shall commence within ten (10) calendar days of Notice to Proceed. The second treatment should be completed within 21 calendar days. The Contractor will be required to (and agrees) to notify the City of Longview Contract Manager of start and completion of work.
- c) Spot treatments will be required to ensure an effective kill. Contractor shall inspect treated areas and initiate treatments necessary to ensure satisfactory vegetation control within thirty (30) calendar days following completion of the first treatment and thirty (30) calendar days following the second treatment. The City will inspect after each application.

5.09 CURB & GUTTER WORK SCHEDULE: All areas defined in “Scope of Work” shall receive two (2) herbicide spray treatments during each growing season as follows:

- a) The first cycle will begin in early Spring, but is dependent upon growing season and weather conditions. Application of the first cycle under this contract shall commence within ten (10) calendar days of Notice to Proceed. The first treatment should be completed within 21 calendar days. The Contractor will be required to (and agrees) to notify the City of Longview Contract Manger of start and completion of work. The City of Longview does not guarantee the number of cycles. Cycles are dependent on growing season, weather, and funding.
- b) The second cycle will be conducted in approximately late August or September as determined and ordered by the City of Longview Contract Manager. Application of the second cycle under this contract shall commence within ten (10) calendar days of Notice to Proceed. The second treatment should be completed within 21 calendar days. The Contractor will be required to (and agrees) to notify the City of Longview Contract Manager of start and completion of work.
- c) Spot treatments will be required to ensure an effective kill. Contractor shall inspect treated areas and initiate treatments necessary to ensure satisfactory vegetation control within thirty (30) calendar days following completion of the first treatment and thirty (30) calendar days following the second treatment. The City will inspect after each application.

Curb & Gutter– Portion of dedicated streets between pavement and the back of curb and the street itself where unwanted vegetation grows.

5.10 RIGHT OF WAY WORK SCHEDULE: All areas defined in “Scope of Work” shall receive two (2) herbicide spray treatments during each growing season as follows:

- a) The first cycle will begin in early Spring, but is dependent upon growing season and weather conditions. Application of the first cycle under this contract shall commence within ten (10) calendar days of Notice to Proceed. The first treatment should be completed within 21 calendar days. The Contractor will be required to (and agrees) to notify the City of Longview Contract Manager of start and completion of work. The City of Longview does not guarantee the number of cycles. Cycles are dependent on growing season, weather, and funding.
- b) The second cycle will be conducted in approximately late August or September as determined and ordered by the City of Longview Contract Manager. Application of the second cycle under this contract shall commence within ten (10) calendar days of Notice to Proceed. The second treatment should be completed within 21 calendar days. The Contractor will be required to (and agrees) to notify the City of Longview Contract Manager of start and completion of work.
- c) Spot treatments will be required to ensure an effective kill. Contractor shall inspect treated areas and initiate treatments necessary to ensure satisfactory vegetation control within thirty (30) calendar days following completion of the first treatment and thirty (30) calendar days following the second treatment. The City will inspect after each application.

5.11 SEWER LINE WORK SCHEDULE: All areas defined in “Scope of Work” shall receive two (2) herbicide spray treatments during each growing season as follows:

- a) The first cycle will begin in early Spring, but is dependent upon growing season and weather conditions. Application of the first cycle under this contract shall commence within ten (10) calendar days of Notice to Proceed. The first treatment should be completed within 21 calendar days. The Contractor will be required to (and agrees) to notify the City of Longview Contract Manager of start and completion of work. Sewer Lines shall be sprayed with a 15 foot right-of-way width. The City of Longview does not guarantee the number of cycles. Cycles are dependent on growing season, weather, and funding.
- b) The second cycle will be conducted in approximately late August or September as determined and ordered by the City of Longview Contract Manager. Application of the second cycle under this contract shall commence within ten (10) calendar days of Notice to Proceed. The second treatment should be completed within 21 calendar days. The Contractor will be required to (and agrees) to notify the City of Longview Contract Manager of start and completion of work.
- c) Spot treatments will be required to ensure an effective kill. Contractor shall inspect treated areas and initiate treatments necessary to ensure satisfactory vegetation control within thirty (30) calendar days following completion of the first treatment and thirty (30) calendar days following the second treatment. The City will inspect after each application.

5.12 DRAINAGE DITCHES & CREEKS WORK SCHEDULE: All areas defined in “Scope of Work” shall receive two (2) herbicide spray treatments during each growing season as follows:

- a) First treatment shall start within ten (10) calendar days of written notice to proceed, generally mid-April to mid-May but is dependent upon growing season and weather conditions. First treatment shall be completed within thirty-six (36) calendar days of notice to proceed. The City of Longview does not guarantee the number of cycles. Cycles are dependent on growing season, weather, and funding.
- b) Second treatment shall start eleven (11) to thirteen (13) weeks, depending on rainfall, after completion of first treatment. Second treatment shall be completed within thirty-six (36) calendar days of notice to proceed.
- c) Spot treatments will be required to ensure an effective kill. Contractor shall inspect treated areas and initiate treatments necessary to ensure satisfactory vegetation control within thirty (30) calendar days following completion of the first treatment and thirty (30) calendar days following the second treatment. The City will inspect after each application.

5.13 JOINT INSPECTION: All areas treated shall be joint inspected by a City representative and the Contractor no later than thirty (30) calendar days following first application and no later than thirty (30) calendar days following the second application. It shall be determined if kill of vegetation, excepting Bermuda grass, has been effective. In cases where the kill is not totally effective, follow-up treatments or spot treatments will be applied by the Contractor as required. A subsequent inspection of areas which

receive spot treatments shall be conducted to determine effectiveness of the treatment for payment. Inspection finding shall be documented and signed by both parties. Should any defective work or material be discovered, or should a reasonable doubt arise as to the integrity of any part of the work completed previous to the final acceptance and final payment there will be deducted from the first estimate an amount equal in value to the defective or questioned work. When defects have been remedied or the causes of doubt removed, final payment will be approved and tendered.

5.14 TECHNICAL SPECIFICATIONS: The herbicides used in treatment of roadside right-of-ways shall consist of a combination of contact and translocated herbicide chemicals which effectively control all undesirable vegetation before it reaches 24 inches in height, except BERMUDA GRASS. The use of Round Up Pro Concentrate 12 ounces per acre, Outrider 1 ounce per acre, Plateau 4 ounces per acre, Vanquish 16 ounces per acre or approved equals is required. The Contractor, by means of seeding, shall replant any Bermuda grass that is killed or permanently damaged so that growth may be assured. Replanting shall be done at no additional cost to the City of Longview. The use of MSMA, 2, 4-D, Metasulfuron, Sulfometuron or like products which causes yellowing or quick browning of vegetation is prohibited.

The Herbicides used in treatment of drainage ditches shall consist of a combination of contact and translocated herbicide chemicals which effectively control all undesirable vegetation before it reaches 24" in height, except Bermuda grass. All vegetation growing in cracks of concrete lined channels shall be killed. Use of Monsanto's Round Up Custom, 19 ounces per acre, DOW Agrosience's VastLan, 48 ounces per acre and Nufarm's Vanquish, 16 ounces per acre, or approved equals is required. The Contractor, by means of seeding, shall replant any Bermuda grass that is killed or permanently damaged so that growth may be assured. Replanting shall be done at no additional cost to the City of Longview.

The herbicides used in the curb and gutter, and guardrail treatment shall consist of a combination of contact and translocated herbicide chemicals, which effectively control all vegetation for the growing season. Use of Roundup Pro concentrate, 64 ounces per acre, DuPont's Karmex, 6 pounds per acre or approved equals is required.

The Contractor shall attach to the bid a list of the herbicides and rates (proposed number of ounces per acre) for use in the treatment of vegetation of all types, and shall not proceed with any work prior to receiving notification from the City. **MUST SUBMIT WITH BID!**

5.15 CONTRACTOR FAILURE: The City of Longview reserves the right to supplement control methods if necessary. If the Contractor fails to maintain the specified level of vegetation control and was notified of substandard work, the City may supplement with another contractor or City staff. The City reserves the right to deduct from the next or any payment to the Contractor an amount equal to the defective work in question.

5.16 DAMAGES OR COMPLAINTS: The Contractor is required to refrain from application of chemical to the property of any private citizen and protect and reserve ornamental or domestic vegetation. The Contractor shall be responsible for handling and settling of all claims made for damages by private citizens. Whenever a claim has been reported, the Contractor shall respond within 24 hours and settle in an expeditious manner. It shall be the Contractor's responsibility to keep the City of Longview informed of all matters relating to claims. Damages found to be caused by the Contractor or his employees shall be repaired at the Contractor's expense.

5.17 RAINFALL EXCEPTION: The Contractor shall not apply any herbicide when rainfall is forecasted within eight (8) hours of time of application during periods of rainfall or immediately following periods of rainfall while vegetation retains surface rainfall moisture on the surfaces of plants.

ATTACHMENT III

NOTICE TO ALL CITY VENDORS AND ALL POTENTIAL CITY VENDORS:

On May 23, 2005, the Texas Senate passed House Bill 914, adding Chapter 176 to the Local Government Code, and imposing new disclosure and reporting obligations on vendors and potential vendors to local governmental entities beginning on January 1, 2006. Failure to abide by these new statutory requirements can result in possible criminal penalties. The City of Longview is requiring you to complete the attached Conflict of Interest Questionnaire (CIQ) Form, prepared by the Texas Ethics Commission, at the direction of the legislature and strongly recommends you become familiar with House Bill 914.

The City of Longview will not provide any further interpretation or information regarding these new requirements; however, you may contact the Texas Ethics Commission at

<http://www.ethics.state.tx.us/> or at 1-512-463-5800.

Please remit the CIQ form with your bid.

Thank you.

CONFLICT OF INTEREST QUESTIONNAIRE

For vendor doing business with local governmental entity

FORM CIQ

OFFICE USE ONLY

This questionnaire reflects changes made to the law by H.B. 23, 84th Leg., Regular Session.

This questionnaire is being filed in accordance with Chapter 176, Local Government Code, by a vendor who has a business relationship as defined by Section 176.001(1-a) with a local governmental entity and the vendor meets requirements under Section 176.006(a).

By law this questionnaire must be filed with the records administrator of the local governmental entity not later than the 7th business day after the date the vendor becomes aware of facts that require the statement to be filed. See Section 176.006(a-1), Local Government Code.

A vendor commits an offense if the vendor knowingly violates Section 176.006, Local Government Code. An offense under this section is a misdemeanor.

Date Received

1 Name of vendor who has a business relationship with local governmental entity.

2 Check this box if you are filing an update to a previously filed questionnaire. (The law requires that you file an updated completed questionnaire with the appropriate filing authority not later than the 7th business day after the date on which you became aware that the originally filed questionnaire was incomplete or inaccurate.)

3 Name of local government officer about whom the information is being disclosed.

Name of Officer

4 Describe each employment or other business relationship with the local government officer, or a family member of the officer, as described by Section 176.003(a)(2)(A). Also describe any family relationship with the local government officer. Complete subparts A and B for each employment or business relationship described. Attach additional pages to this Form CIQ as necessary.

A. Is the local government officer or a family member of the officer receiving or likely to receive taxable income, other than investment income, from the vendor?

Yes No

B. Is the vendor receiving or likely to receive taxable income, other than investment income, from or at the direction of the local government officer or a family member of the officer AND the taxable income is not received from the local governmental entity?

Yes No

5 Describe each employment or business relationship that the vendor named in Section 1 maintains with a corporation or other business entity with respect to which the local government officer serves as an officer or director, or holds an ownership interest of one percent or more.

6 Check this box if the vendor has given the local government officer or a family member of the officer one or more gifts as described in Section 176.003(a)(2)(B), excluding gifts described in Section 176.003(a-1).

7 Signature of vendor doing business with the governmental entity Date

CONFLICT OF INTEREST QUESTIONNAIRE

For vendor doing business with local governmental entity

A complete copy of Chapter 176 of the Local Government Code may be found at <http://www.statutes.legis.state.tx.us/Docs/LG/htm/LG.176.htm>. For easy reference, below are some of the sections cited on this form.

Local Government Code § 176.001(1-a): "Business relationship" means a connection between two or more parties based on commercial activity of one of the parties. The term does not include a connection based on:

- (A) a transaction that is subject to rate or fee regulation by a federal, state, or local governmental entity or an agency of a federal, state, or local governmental entity;
- (B) a transaction conducted at a price and subject to terms available to the public; or
- (C) a purchase or lease of goods or services from a person that is chartered by a state or federal agency and that is subject to regular examination by, and reporting to, that agency.

Local Government Code § 176.003(a)(2)(A) and (B):

(a) A local government officer shall file a conflicts disclosure statement with respect to a vendor if:

(2) the vendor:

(A) has an employment or other business relationship with the local government officer or a family member of the officer that results in the officer or family member receiving taxable income, other than investment income, that exceeds \$2,500 during the 12-month period preceding the date that the officer becomes aware that

- (i) a contract between the local governmental entity and vendor has been executed; or
- (ii) the local governmental entity is considering entering into a contract with the vendor;

(B) has given to the local government officer or a family member of the officer one or more gifts that have an aggregate value of more than \$100 in the 12-month period preceding the date the officer becomes aware that:

- (i) a contract between the local governmental entity and vendor has been executed; or
- (ii) the local governmental entity is considering entering into a contract with the vendor.

Local Government Code § 176.006(a) and (a-1)

(a) A vendor shall file a completed conflict of interest questionnaire if the vendor has a business relationship with a local governmental entity and:

(1) has an employment or other business relationship with a local government officer of that local governmental entity, or a family member of the officer, described by Section 176.003(a)(2)(A);

(2) has given a local government officer of that local governmental entity, or a family member of the officer, one or more gifts with the aggregate value specified by Section 176.003(a)(2)(B), excluding any gift described by Section 176.003(a-1); or

(3) has a family relationship with a local government officer of that local governmental entity.

(a-1) The completed conflict of interest questionnaire must be filed with the appropriate records administrator not later than the seventh business day after the later of:

(1) the date that the vendor:

(A) begins discussions or negotiations to enter into a contract with the local governmental entity; or

(B) submits to the local governmental entity an application, response to a request for proposals or bids, correspondence, or another writing related to a potential contract with the local governmental entity; or

(2) the date the vendor becomes aware:

(A) of an employment or other business relationship with a local government officer, or a family member of the officer, described by Subsection (a);

(B) that the vendor has given one or more gifts described by Subsection (a); or

(C) of a family relationship with a local government officer.
