July 6, 2017

To Whom It May Concern:

The City of Longview – Partners in Prevention and the **National Night Out (NNO)** are proud to announce the 27th city’s participation in NNO on Tuesday, **October 3, 2017**. As a part of NNO, all citizens are encouraged to participate by hosting or attending one of the many NNO parties designed to “Give Neighborhood Crime and Drugs a Going Away Party!”

On **Tuesday, September 5, 2017**, NNO will be hosting a **National Night Out Kick-off** celebration, at Maude Cobb Activity Center, to support this effort in crime prevention. **We would like to ask your company to donate to the NNO Kick-off celebration.** We expect 150-200 people to attend. All businesses who donate will be on printed material at the kick-off event and given to media in connection to the event. Donation commitments must be received by **August 1st, 2017** for recognition.

NNO is an annual event designed to unite neighbors and communities to encourage neighborhood communication, community involvement, and crime prevention in order to create safer neighborhoods. This year marks the year the City of Longview will participate in an awareness campaign against crime.

Thank you for your willingness to consider supporting Longview’s community efforts—we realize local support is a major factor in our success.

Sincerely,

Sekettia Brantley
NNO Co-coordinator
Partners in Prevention

Officer Brandon Thornton
NNO Co-coordinator
Longview Police Department
