PURCHASING DIVISION**

Addendum No 1

October 17, 2019

1920-11 Grounds Maintenance-Maude Cobb Activity Complex

All provisions of the original specifications shall remain in full force and effect, except as modified by this addendum.

The City offers the following addition:

Section 5.02 Contractor's Responsibilities

The following wording is hereby added:

Once the grounds maintenance cycle has begun, grounds maintenance shall be complete within one day. Exception will be made for inclement weather.

Additional time will be allowed during the initial contract start up, however, it is expected that by the third completed cycle, grounds maintenance for each cycle shall take no longer than one day.

City of Longview received the following question:

Will a private herbicide application license be okay or does it have to be a commercial license?

Answer: The herbicide license required in this bid and subsequent contract must be a commercial applicator license.

If you have any further questions, please contact the Purchasing Department.
