Template Guideline

- **Solid frame is actual printed work area of bookmark. (2.5" x 8.5")**
Any art past solid line will get trimmed off.
- **Extend art slightly past or to the dotted line if you want your work to "bleed" or crop to the edges of the working area.**
Tip: Trace both guideboxes onto cardstock paper. Cut on dotted line. Then cut out solid line box. Use remaining piece as a frame to position where your art will crop. Trace, trim, paste to this sheet and submit!
- **Design for front side only.**
Full color.
Avoid use of glitter/metallic/sparkles.
It doesn't show up in printing process.
- **Set to CMYK and 300 dpi (at least) for print quality if scanning/submitting digitally.**
- **For more template copies, please find them online:**
